Filmmaking

Higher Certificate NQF5

01

Tell visually captivating stories and share **your creativity** through film and videos

02

Unlock your inner **storyteller**

03

Experience the **filmmaking process**

04

Create documentaries, corporate videos, **music videos** and short films

Core topics:

Production | Editing | Camera, Sound and Lighting | Short Film Practical

What you will cover:

Ready to embark on a journey where your creativity takes centre stage? With our filmmaking programme, you will dive headfirst into the world of **visual storytelling, bringing stories and ideas to life** like never before. Forget sitting on the sidelines – we will equip you with the skills and expertise needed to carve your own path in the film industry. From crafting captivating **music videos** to directing **your own short films and documentaries**, you will be part of every step of the filmmaking process. Get hands-on with the technical aspects, **mastering the camera, lighting, editing, scriptwriting and directing** – all essential skills highly sought after in today's job market. And when it comes to **post-production magic**, we've got you covered with software like Adobe Premiere Pro and After Effects, helping you transform raw footage into cinematic masterpieces. But it doesn't stop there – you will also **build a professional showreel** to showcase your talents to future employers, setting you up for success in the film and television industries. Plus, with **opportunities for work-integrated learning** outside the classroom, you will gain invaluable real-world experience that will prepare you for whatever the industry throws your way. So, if you're ready to turn your passion for storytelling into a thriving career, join us and let's bring your cinematic dreams to life.

Duration: One year. Full-time

This course opens the doors to the following career opportunities

- Camera operator
- Editor
- Scriptwriter
- Social media content creator
- Independent film maker
- Location scouter
- And many more

Students must purchase their own camera and SD cards (126 Gigabyte storage at 200 Megabytes per second transfer speed).

Students are not required to buy their own laptop or software. Oakfields College provides all facilities on campus.

International students are required to pay cash price.

Oakfields College is registered with the Department of Higher Education and Training until 31 December 2027 as a private higher education institution under the Higher Education Act, 1997. Registration certificate No 2015/HE07/001. Oakfields College, as an institution, is registered with the MICT Seta (ACC/2012/07/598) and the CATHSSETA (MAPP 7552/613/P/000213/2012) and the QCTO.
